The activities are designed to allow students to personally confront issues, reflect on issues, and extend their knowledge of issues.

Curriculum Theory: Conflicting Visions and Enduring Concerns

Curriculum Theory: Conflicting Visions and Enduring Concerns examines the actual curriculum and instructional beliefs that influence the construction, teaching, and administration of curriculum in American schools. It describes and analyzes four educational visions that have influenced, and continue to influence, American schools and educators.

Within the broad field of curriculum studies, it is both a historical analysis of curriculum and a way of viewing current educational curriculum and policy decisions. There are many different views of curriculum theory including those of Herbert Kliebard and Michael Stephen Schiro, among others.

Curriculum Theory | K12 Academics

Schiro takes a more philosophical approach as he examines the curriculum ideologies (or philosophies) that have influenced American curriculum thought and practice between ca 1890-2007. Kliebard discusses four curriculum groups that he calls humanist (or mental disciplinarians), social efficiency, developmentalist (or child study), and social meliorists.

Curriculum Theory: Schiro, Michael: 9781412988902 ...

Curriculum Theory is an academic discipline devoted to examining and shaping educational curricula. There are many interpretations of CT, being as narrow as the dynamics of the learning process of one child in a classroom to the lifelong learning path an individual takes. CT can be approached from the educational, philosophical, psychological and sociological perspectives. James MacDonald states "one central concern of theorists is identifying the fundamental unit of curriculum ...
