Echoes Of Heartsounds A Memoir

As a sequel to her previous memoir, Heartsounds (1980) (which I haven't read but would like to), this explores life's odd parallels and repetitions. It's about her shambolic five-week stay in the hospital – infections and conflicting diagnoses Longtime New York City journalist Lear's first husband, a doctor named Hal, died after a series of heart attacks.

Martha Lear had written a very emotional book about Dr. Harold Lear, her husband and his painful journey after having a heart attack. Many years later, she is in her kitchen and feels chills and nausea. She calls her doctor, who told her not to worry and to meet him in the hospital. She had had a heart attack and she cannot believe it.
