Although Italy is still perceived as a recent immigration country, the book demonstrates how Black women were among the first groups of new migrants to the country. Black women migrating to Italy were employed almost exclusively as live-in domestic workers and detailed attention is paid to the history and political organization of this sector.

## **Italy: population by gender January 2019 | Statista**

Around the world, more people are on the move than ever before. Many of them are seeking new opportunities and a better life for themselves and their families. Others are forced to move due to disaster or conflict. Gender is central to any discussion of the causes and consequences of migration, whether forced, voluntary or somewhere in between. It is recognized that a person's sex, gender ...

Italy's policymakers have seen fit to bring in gender quotas elsewhere in the country's economy, but no such measures exist yet in the public sector. In 2011, a quota system was imposed on the boards of directors and boards of statutory auditors of companies listed on the Italian Stock Exchange, beginning at 20% and raised to 33% by 2015.

are able to ultimately play a part in achieving basic goals of both social and economic development.

## **Gender and Migration | BRIDGE**

In 1908, a young immigrant man named Saverio wrote to his wife in southern Italy from Westfield, Connecticut, U.S.A. His brief message home, though formulaic, suggests how gender expectations shaped the mass migrations from Italy while also challenging men and women to relate to each other in new ways.
