Good Products Bad Products Essential

'Good Products, Bad Products...' was a book I won from a giveaway on Goodreads. This book was a very interesting read. I as a person who does not think about all the aspects that need to go into creating a good product, this book opened my eyes to that. The author does a nice job of explaining the many aspects of a quality product.

Why Bad Things Happen to Good New Products

Essential oils are downright bad for your skin. Essential oils may smell nice but they wreak havoc on your skin. If essential oils are anything but essential, why are they in your skin care? Because essential oils smell nice, and a nice smelling product sells. Misled consumers believe that a skin care product must be a fragrant product to be a ...
