Navigating Great Power Rivalry in the 21st Century

The return to rivalry was inevitable, if tragically so. It is rooted in a clash of social models—a free world and a neo-authoritarian world—that directly affects how people live.

The return to great-power rivalry was inevitable

The UN Security Council in an Age of Great Power Rivalry 3 However, Libya, Syria, and Ukraine are more the symptoms . than the causes of a divide that was some time in the making. Growing tensions in the Security Council have been a reflection of the growing power and assertiveness of Beijing and a newly muscular Moscow.

The UN Security Council in an Age of Great Power Rivalry1 ...

Referring to great power relations pre-1960, Baron highlights that starting from around the 16th century and the rise of several European great powers, military conflicts and confrontations was the defining characteristic of diplomacy and relations between such powers. "Between 1500 and 1953, there were 64 wars in which at least one great power was opposed to another, and they averaged little more than five years in length.
