How often does honda say you should change the Manual transmission fluid on a 2017 civic hatch? I don't have my owners manual in front of me, and I can't find much through online searching. I have read some people doing in every 10k miles, which seems a bit excessive to me. Looking for the honda recommended interval

Manual Transmission Oil Change | Page 2 | 2016+ Honda ...

MTF Fluid Change On an manual trans vehicle you are getting most of the fluid out. The reason you would only get about 50% out on a drain and fill on an auto is that the torque convertor and the internal valve bodies will hold some of the fluid in. A manual transmission doe not have a dipstick like the auto does.

2004 CRV Manual Transmission Fluid Change | Honda CR-V ...

Unlike engine oil, which is primarily a lubricant, transmission fluid serves as both an oil and a hydraulic fluid that helps facilitate gear shifts, cools the transmission and lubricates moving parts.
