Preview — International Relations by V.N. Khanna. International Relations Quotes Showing 1-12 of 12. "The term 'international relations' (IR) may be used both for a 'condition' and a 'discipline'. Quincy Wright, for example, makes such a distinction. The official relations between sovereign countries are described as international relations, though according to Wright, "... the word "interstate" would have been more accurate because in political science, the state came to be the term ...

Waltz's key contribution to the realm of political science is in the creation of neorealism (or structural realism, as he calls it), a theory of International Relations which posits that the interaction of sovereign states can be explained by the pressures exerted on them by the anarchic structure of the international system, which limits and constrains their choices.

Kenneth Waltz - Wikipedia

International relations majors, in addition to graduating with an in-depth knowledge of world affairs, politics, economics, culture, geography, history, and language, also leave school with several valuable soft skills. They include listening, speaking, critical thinking, problem-solving, and writing skills.
