The New York State Department of Environmental Conservation (NYSDEC) - New York State's environmental protection and regulatory agency

New York State Department of Environmental Conservation

The vehicle's on-board diagnostic system reports a failure or problem with an emissions related component or sensor. If there is a problem, the "Check Engine" or "Service Engine Soon" light may be on. If the light is on when you come in for inspection, the vehicle will fail the test. The Check Engine light is malfunctioning.
