of teaching grammar is an approach that focuses on instruction before practice. A teacher gives students an in-depth explanation of a grammatical concept before they encounter the same grammatical concept in their own writing.

Different Methods of Teaching Grammar - Inklyo.com

Grammar is the base of

File Type PDF

Teaching

English language.

English especially as a second or a foreign language is not acquired naturally; instruction and structured learning are important. Through grammar, an ESL learner learns how to operate at the sentence level and studies the governance of the syntax or word orders that are the rule of the game in the language.
