### The Life Of Charles Ledger

Ledger belonged to a huguenot family that emigrated to England in the 18th century; he was born at 1 Bucklersbury, City of London, the son of George Ledger, a mercantile broker, and his wife Charlotte, née Warren. [citation needed] After leaving school he went to Peru and in 1836 was a clerk in a British merchant's office at Lima. It was at Lima that Charles rescued a drowning native Manuel Incra Manami, who offered to become his servant.

Charles Ledger also led an adventurous life: perhaps his greatest feat being an epic drive of alpacas. His travels took him 2500 km from Peru and Bolivia through Argentina and across the Andes to Peru and then by boat to New South Wales in an attempt to establish an alpaca wool industry there - the journey took six years.

### Life of Charles Ledger (1818-1905) af Gabriele Gramiccia ...

Charles Ledger (1818-1905), adventurer, was born on 4 March 1818 in London, son of George Ledger, mercantile broker, and his wife Charlotte, née Warren. In 1836 he went to Peru, worked as a clerk for an English merchant firm, settled at Tacna and succeeded as a trader in wool, skins, bark and copper.

### Biography - Charles Ledger - Australian Dictionary of ...

Ledger's great contribution to the world was the identification and cultivation of the 'best' unhybridized cinchona seed, from which 90% of the world's quinine was eventually produced. But Charles Ledger didn't only 'give' the world quinine, he led an adventurous life: perhaps his greatest feat being an epic drive of alpacas.
