Viking Economics How The Scandinavians

Viking Economics: how the Scandinavians got right and how we can too, by George Lakey, reviewed by Jerry Woolpy Growing inequality is the root cause of our malaise. The symptoms are elite and corporate dominance and our inability to moderate them at the ballot box. Norway, Sweden, and Denmark provide the vision for our progressive movement.

Viking Economics: How the Scandinavians Got It Right-and ...

Viking Economics: How the Scandinavians Got it Right - and How We Can, Too, by George Lakey, 2016. This book by Lakey gave me a good sense of what an economy looks like whose purpose is not maximization of wealth by the wealthy, but freedom and equality and sustainability.

Viking Economics: How the Scandinavians Got It Right-and ...

In Viking Economics—now with a new afterword by the author—George Lakey dispels these myths. He explores the inner-workings of the Nordic economies that boast the world's happiest, most productive workers, and explains how, if we can enact some of the changes the Scandinavians fought for surprisingly recently, we, too, can embrace equality in our economic policy.

Viking Economics : How the Scandinavians Got It Right-And ...

If the title of this book conjures up an image of a dense tome on the economic life of tenth-century Vikings, don't be put off. George Lakey's focus is all on the subtitle: How the Scandinavians Got It Right—and How We Can, Too. If one needs further enticement to enter into the unfamiliar territory of economics, consider the author's decades of experience in social change and nonviolence training, as well as his personal history with Norway—starting with dating his Norwegian wife ...

Viking Economics: How the Scandinavians Got It Right—and ...

As Lakey documents extensively, this didn't happen in Scandinavia by chance, or because its nations are small, or because they're homogenous, or

because Norway has oil. These nations developed Viking economics through extensive, relentless, and nonviolent organizing and protest, including resistance to the US/UK push toward the right that began in the 1980s.

Viking Economics: How the Scandinavians Got it Right - and ...

Updated January 09, 2020 Over the 300 years of the Viking Age, and with the expansion of the Norse landnám (new land settlements), the economic structure of the communities changed. In 800 AD, a well-off farmstead in Norway would have been primarily pastoral, based on the raising of cattle, pigs, and goats.

The Economic System of The Vikings

The system of universal benefits and services often referred to as “the Nordic Model” is described by George Lakey in his new book, Viking Economics. The title refers not to the plunder practiced by old-school Vikings, but to the bold spirit of 20th century Scandinavians who agitated and organized for rights and services.

What the U.S. Can Learn From “Viking Economics” - Yes ...

Here, Lakey combines historical analysis, economic data and interview-based opinion to produce something that delivers much more than each of those could do in isolation. As a result, Viking Economics tells a story of economic change and the foundations on which it was built at a time when it is so obvious that such narratives are desperately needed in modern political discourse.

Review: Viking Economics, by George Lakey | THE Books

In Viking Economics—perhaps the most fun economics book you’ve ever read—George Lakey dispels these myths. He explores the inner workings of the Nordic economies that boast the world’s happiest, most productive workers, and explains how, if we can enact some of the changes the Scandinavians fought for surprisingly recently, we, too, can embrace equality in our economic policy.
