YouTube vs. PPC. Average pay-per-click search marketing platforms are not the same as YouTube's marketing platform. They are top-heavy with statistics, numbers, graphs, and charts, that detail the exact value a client is getting by showing them how their dollars correlate to engagement.

How Effective Are YouTube Marketing Conversions?

Google is trying to monetize YouTube but floundering. I don't have a good feeling about YouTube adding TV programs and movies to compete with Hulu and earn some jing. If they do go that route, which will be even more expensive than serving user-generated 2 minute videos, they should go the brand extension route or, better yet, come up with a new and unique pay-for brand.
